# Disclaimer

## Safe Harbor Statement

This presentation contains forward-looking statements which may be identified by their use of words like “plans,” “expects,” “will,” “anticipates,” “believes,” “intends,” “projects,” “estimates” or other words of similar meaning. All statements that address expectations or projections about the future, including, but not limited to, statements about the strategy for growth, product development, market position, expenditures, and financial results, are forward-looking statements. Forward-looking statements are based on certain assumptions and expectations of future events. The companies referred to in this presentation cannot guarantee that these assumptions and expectations are accurate or will be realized. The actual results, performance or achievements, could thus differ materially from those projected in any such forward-looking statements. These companies assume no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events, or otherwise.

# Symphony's Air Coolers – Environment at the Core

10+ Million Trees

Symphony's Air Coolers sold in FY22 reduced GHG emissions equivalent to GHG emission absorbed by 10+ million trees

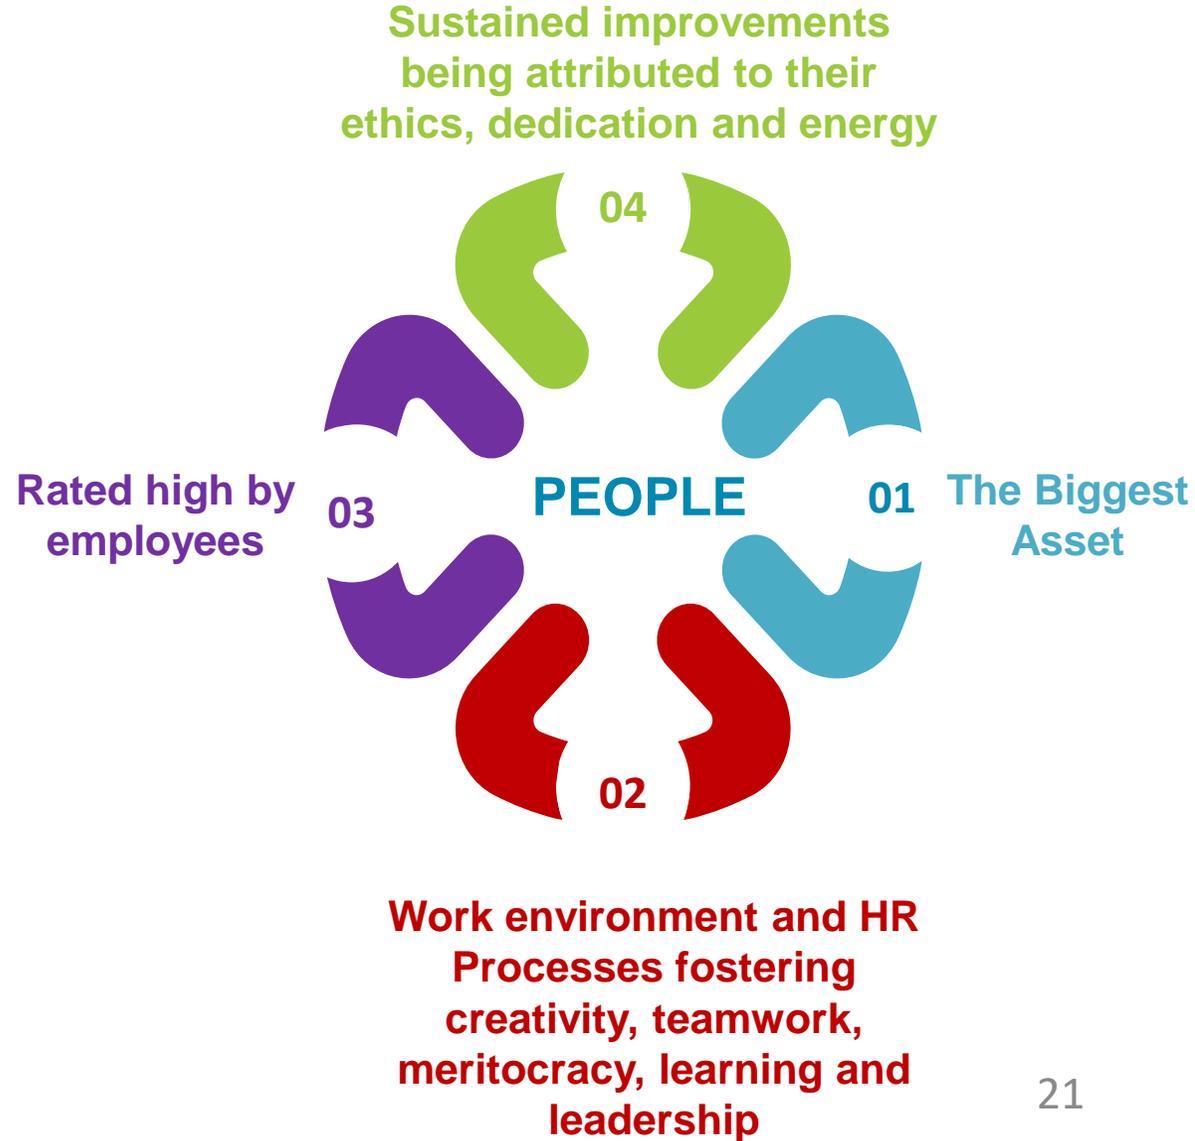

~ 93%

**Lower GHG Emissions**  
by Symphony's Air Coolers  
versus 5 – Star Air Conditioners

# Embracing Socio-economics within Symphony

# Corporate Governance Philosophy

1

## STRATEGIC CONTROL

- ❖ Responsible business action and ethical conduct
- ❖ Fully Independent Audit Committee and Nomination & Remuneration Committee
- ❖ Board constituted committees headed by Independent Directors
- ❖ Board approved policies driven organization

2

## MANAGEMENT CONTROL

- ❖ Simplified organization structure and operational set up – Designed to power innovation, growth and productivity
- ❖ Adequate and operational system to ensure regulatory and tax compliances
- ❖ Continuous monitoring and updation of internal control system, while maintaining constant dialogue with statutory & internal auditors

3

## OPERATIONAL CONTROL

- ❖ Operational manuals
- ❖ Self-control checklist, coupled with supervisory system of control
- ❖ Effective and efficient mechanism for setting performance standards, measuring actual performance, analysing variance, and taking corrective & preventive actions
