Dear Sir,

This is to inform that Impco S.de. RL.de. CV, Mexico, the subsidiary of Symphony Limited, has received an order to cool 35 stores of 'EKONO', subsidiary of Wal-Mart, Chile, South America, by Symphony Central Air Coolers.

We believe that this will help us to penetrate our Central Air Cooling Business not only in Chile, but also in other countries of South America.

This is for general information.

Thanking you,
For **Symphony Limited**
